Dear Mother,

How are you? I am well. I rode in a bus yesterday morning. Mary did not meet me in a bus. She went in her car last night. She went in her car to school. She took care of me. She went back to her home.

Some boys and I read many funny books. I like to read them.

Thank you very, very much for the good time I had at home.

I love you,

Ray D. Nelson
